Evaluation Form of the Listening Session Process

DATE: _____________________________________________________________________

LOCATION: _________________________________________________________________

COUNTY: __________________________________________________________________

Was adequate time given in the small group for you to express your thoughts and ideas? ____________________________

Did you feel you were given enough time in the large group session to express your thoughts and ideas and prioritize items for the community? ____________________________

What, in your opinion, went well with the Listening Session meeting? ____________________________

What would you change about the process of the Listening Session meeting? ____________________________

How can we improve this process as we prepare for the Focus Forums? ____________________________
